

The butterflies in
your stomach
are feeding on
your anxiety,
allowing them to
rapidly multiply.

Forced to be the
town hall's new
lightning rod while
a huge storm is
on the way.

A newly
discovered
civilization is
sacrificing you to
gain your powers.

A secret
group wants to
experiment on you
after mistaking
you to be an
alien.

Cheated death and
now it is back to
settle the score.

Plants have
finally awoken,
forcing you into
a pot so they
can water you
too much.

You followed
your cat under the
house and became
part of a ritual
to restore their
ancient Egyptian
might.

A poltergeist has
possessed your
smart home.

You didn't
peek-a-boo
correctly and
now the baby can
sense your fear.

EXPANSION

Your boss will not give you that promotion because he is using your essence to stay immortal.

EXPANSION

An internet troll has nested in your house, using your social media to ruin your good name.

EXPANSION

Since you broke the garden gnome, more have appeared outside your home.

EXPANSION

A broom has mistaken you for its witch and is now carrying you away.

EXPANSION

Your killer android mom has given you one minute to clean your room or it is time out for good.

EXPANSION

Broke the peace with underground mole people by digging in the wrong spot.

EXPANSION

Four out of five dentists agree you should floss more. The fifth is a psychopath who is doing it for you.

EXPANSION

The buff beach boys have turned you into their volleyball.

EXPANSION

Crammed into a barrel of upset monkeys.

EXPANSION

Your imaginary friend has come back for revenge now that you have forgotten them.

EXPANSION

A dog has trapped you down a well and is now trying to collect a ransom.

EXPANSION

After tossing the instructions, you have assembled yourself into your new desk.

EXPANSION

Your nightlight has burned out, allowing the creatures of the night to awaken.

EXPANSION

Polly does not want the cracker, he wants you.

EXPANSION

You have become obsolete after a new and improved version was announced.

EXPANSION

A big bird is taking you to its nest as food for its young.

EXPANSION

The robot you were teaching how to love now crushes everything with its loving arms.

EXPANSION

Waterproofing your home may not have been the best idea now that your overflowing toilet is flooding it all.

Plans have
gone awry and
now your mutant
rat army is on
the loose.

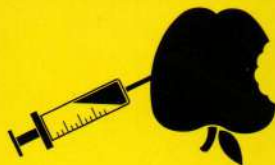

A bad fortune teller
has predicted
your death and
is now trying to
make sure their
prediction comes
true.

Your mafia friends
want to introduce
you to some fish.

A pinball wizard
has trapped
you inside their
newest game and
just unlocked
multiball.

The apples
have stopped
working and now
the doctors have
begun their purge
of humankind.

Leaving the
theater you notice
the horror music
has not stopped
while a shady man
is eyeing you.

You are so
excited that you
did not notice the
fireworks being
used as candles
on your birthday
cake.

Store mannequins
are ready to strike
after following
your every move.

Every move
you make, every
breath you take,
you are depleting
the limited oxygen
in your scuba
tank.

EXPANSION

Door opening
velociraptors are
about to ruin your
surprise party.

EXPANSION

The boogeyman
is forwarding
all of your
embarrassing
dreams to
everyone you
know.

EXPANSION

...that is being
orchestrated by a
dark wizard.

EXPANSION

Disrupted a hive of
amphibious yellow
jackets while
taking a swim.

EXPANSION

A frantic mother
kangaroo has
scooped you into
her pouch.

EXPANSION

...and that swarm
of bees you
angered on your
way over have
turned into a
real nuisance.

EXPANSION

...that, like your
homework, has
been eaten by
your dog.

EXPANSION

...too bad your
stunt double is
on break.
Discard the Skill
being used.

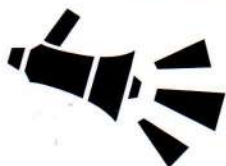

EXPANSION

...but it is stuck
inside a pickle jar
that you are too
weak to open.

EXPANSION

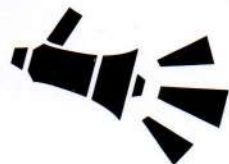

...powered by a spoiled hamster who has gone on strike thanks to your inability to provide.

EXPANSION

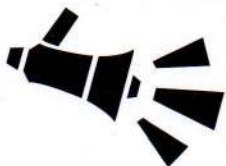

...and its earned fan club that keeps getting in your way.

EXPANSION

...surrounded by a shield made of puppies and kittens.

EXPANSION

...and your future self has come back to stop you.

EXPANSION

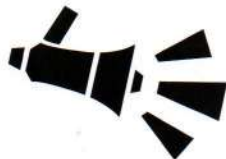

...and you have passed down your skills to another. The player playing this Plot Twist puts this Skill in their hand after your turn.

EXPANSION

...but your license to do so has expired.

EXPANSION

...and you are stuck between floors on an elevator.

EXPANSION

...and everything is trapped inside a forcefield.

EXPANSION

...but you suffer from spontaneous memory loss and forget what you are doing every few seconds.

EXPANSION

...while giant sumo wrestlers keep getting in your way.

EXPANSION

...but they mixed up the super power potions...
*Play immediately

All players must use the Skill card the player to their right gives them.

EXPANSION

...while in the sights of a trained sharp shooter in case this does not do you in.

EXPANSION

...and a thick fog makes any movement hard to accomplish.

EXPANSION

...but you are still recovering in a full body cast.

EXPANSION

...but you are stuck inside an inflated, sterile ball.

EXPANSION

...hold on, you could only...
Replace this Skill with one from your hand.

EXPANSION

...but you lied. Your true power is actually...
Place this Skill back in your hand and play the top card from the Skill deck.

EXPANSION

...and in the darkest night with no light in sight.

EXPANSION

...while a whale
shark is failing to
jump over you.

EXPANSION

...that tall
stereotypical
jock bullies are
throwing around.

EXPANSION

...but you have
been borrowing it
from your neighbor
for too long and
they have come to
take it back.

EXPANSION

...that is well
greased and
slippery to
the grip.

EXPANSION

...no wait,
you had a...
Replace this Tool
with one from your
hand.

EXPANSION

...and there has
been a massive
flash flood,
putting you and
everything else
underwater.

EXPANSION

...but you are so
light that any
slight bit of
wind carries
you miles away.

EXPANSION

...but you forgot
your super suit
and must hide
your identity
to protect your
friends and family.

EXPANSION

...and you are
attending an
acting seminar.
*Play immediately
All players must
also act out their
rescues this
round.

EXPANSION

...but you are
being hunted
by a secret
organization for
your powers.

EXPANSION

...while an aura of
incredibly bad
luck hangs in
the air.

EXPANSION

...but it could be
worse...
*Play immediately
and draw two Plot
Twist cards
All players may
stack Plot Twist
cards this round.

EXPANSION

...that you
meant to grab
instead of...
Place this Tool
back in your
hand and play
the top card from
the Tool deck.

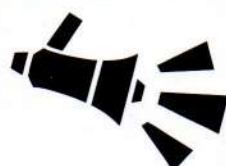

EXPANSION

...but repo workers
just took it back.
Discard the Tool
being used.

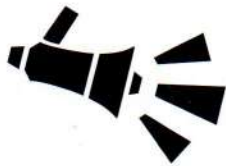

EXPANSION

...that there are
only two of in the
world.
The player playing
this Plot Twist
puts this Tool in
their hand after
your turn.

EXPANSION

...that your
enemies also
have a copy of.

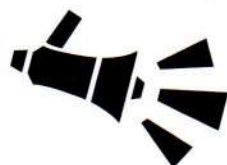

EXPANSION

...with a terrible
odor that makes it
impossible to use
without fainting
afterwards.

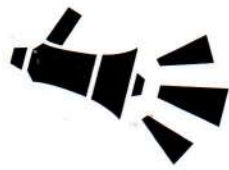

EXPANSION

...but you have
been blackmailed
into never using
your skills again.

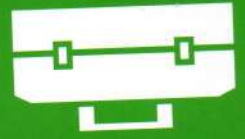

...but you have not
taken it out of the
packaging and
those twisty ties
are really keeping
it in there.

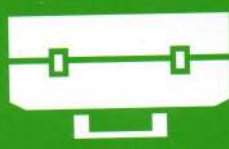

A woodchuck that
could chuck wood
farther than any
woodchuck
should.

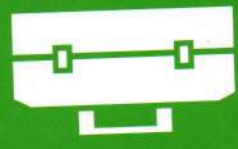

A miniature
bulldozer.

A bag of sticks
and stones.

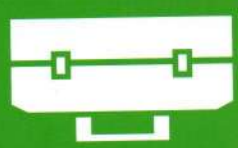

A mariachi band.

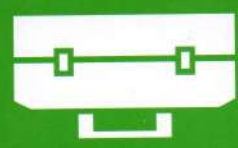

A clown car.

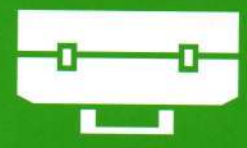

A compass that
leads you to
whatever your
heart desires.

A trained pelican
that can carry
you in its bill.

A bowling ball that
always strikes.
